LCN LEADERSHIP CHANGES

Deryn Winchester

Tip Walker

Two of our LCN Leadership Council members, Andrea Berger & Candie Sanderson rotated off the LCN Leadership Council at the end of July.

The LCN, as well as the Leadership Council is solely run by volunteers and both Andrea & Candie have dedicated their time over the last few years to expanding and serving the LCN. Candie has been serving the LCN since its inception in 2008.

We want to publicly thank them for their service and dedication. Without them we would not be the organization that we are today.

Both Candie and Andrea will still be actively involved with the LCN and Andrea will continue as an LCN Regional Coordinator as well as a Residential Trainer.

We would like to welcome Tip Walker & Deryn Winchester to the LCN Leadership Council as their replacements.

Both Tip & Deryn have served the LCN for a number of years as Chapter Leaders and Regional Coordinators and both are accredited TMI Outreach Facilitators.

Please join us energetically in both thanking Andrea & Candie for their service and welcoming Tip & Deryn to the LCN Leadership Council.
